

The Way Up Is Down!

Text:

math.

20:28 = 28

Intro:

1. Any way we look at it today → every person with any ambition at all is interested in making up - getting ahead - becoming a success.

2. The question is → "Just make this more?"

- 1) More money
- 2) More power
- 3) More status
- 4) More possessions
- 5) More power
- 6) More possessions
- 7) More power

3. Or does it mean different?

1) While leadership, expertise, wealth, success & power are still important, they come in second.

2) The primary goal of the new breed is to have a happy, content family life & challenging career → not just to make big bucks → ~~The top of the list~~

3) The top of the list is family, health, ethics & leisure.

5. Or to put it another way → the secular world is beginning to learn → the way up is down.

6. If we really analyze it → this is the essence of the power of Christ's disciples → follow the ~~way~~ middle of Christ → way up is down.

7. He lived out the during parables of this text in every aspect of his life so:
